About This Game

You're a representative of the patrol duty department protecting city roads from the chaos. Lots of cars were left in wrong places...You were charged with powerful road machine to deal with order breakers. So, get in your mighty patrol truck and tow all cars parked in a wrong way. Exercise power over streets!

Main simulator features:

- Drive a powerful truck and tow all the cars that were left in wrong places;
- Complete various missions before the time's up;
- Push your skills up to have more possibilities;

- Earn coins for every mission;
- Get a super tow truck to make your job more efficient!

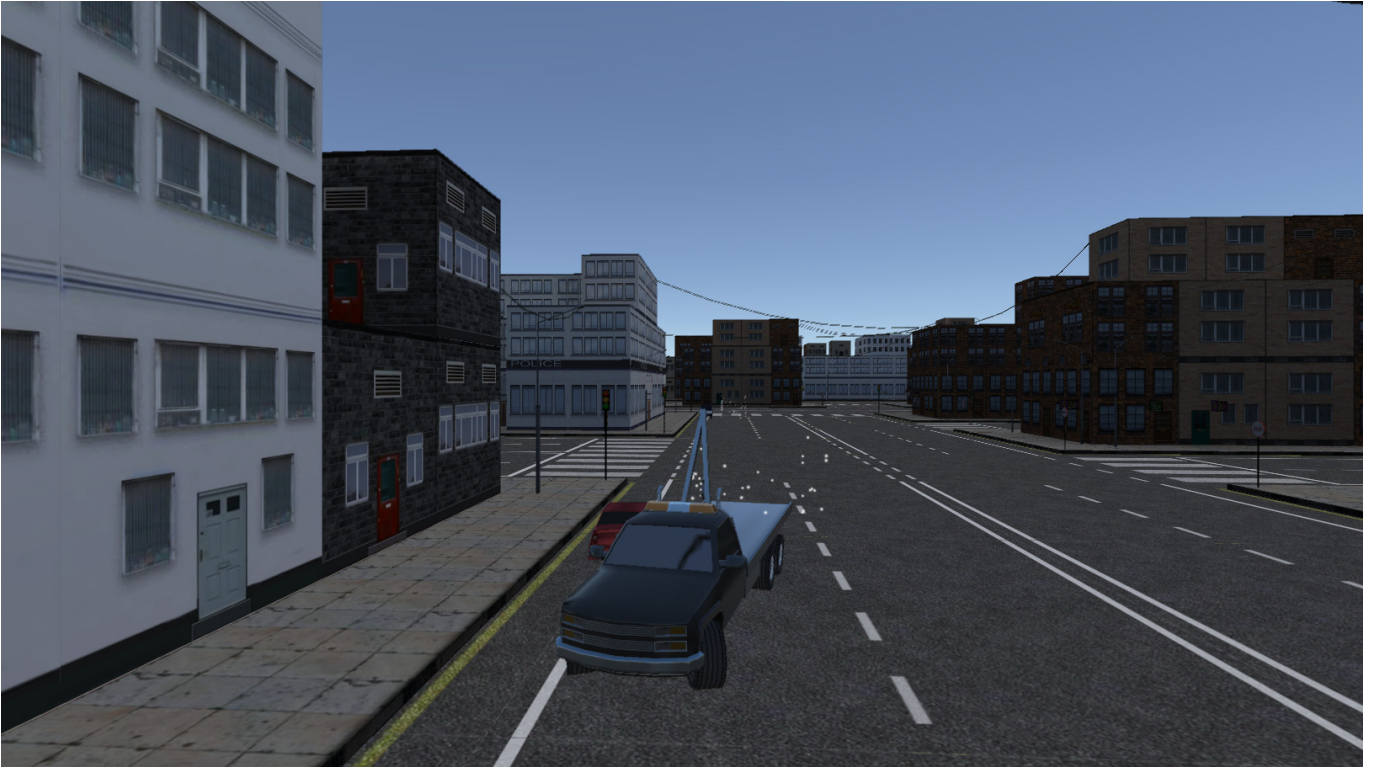

The order on streets is your work. And you'll do it especially well because you don't really esteem people who park their cars in wrong places.
